guided - for - wonderful – destinations – populated - of – schedule – sandy – truly – guide

Scotland is known for its idyllic landscape, and the nation that gifted the world Scotch. Places to visit in Scotland are mostly nature's havens, and this includes beaches. Beaches in Scotland should be included in your Scotland travel, simply because they are not your regular over-crowded beach The coastal side of Scotland is more so romantic, where you can expect peace mind. An ideal escapade with plenty of nature's gifts, beaches in Scotland are perfect that long-awaited holiday, something that is a far-cry from most other holidays. So in between your hectic sightseeing, do take some time out to visit these wondrous beaches of Scotland. A white beach that is mostly quiet, you will find this one in the island of Berneray. Berneray in itself is a scarcely place, with people living in the Sound of Harris, apart from Boreray. You can in fact see the Harris Mountains to your north.

2) Put the bracketed words in the right Form and / or Tense (4 marks) :

Not all walking trips involve climbing rocky crags or fording torrential rivers. Some of the **(good)** walks in the world may well be on your doorstep. Still, for a holiday experience, few holidays cost **(little)** or promise more in the way of memorable experiences. Walking holidays can **(guide)**, in groups, or you can do them yourself. Recently, we **(include)** not only the most famous and **(good)** known walks in the world, but also some rambles and tracks. Walks can be **(spiritual)** uplifting, in hot sunshine or in misty drizzle—whatever kind of walking holiday you prefer, it **(be)** both valuable exercise, and an almost effortless activity to get you out into your local surroundings, or to see the world. Above all, walking **(provide)** the basis of not only a memorable holiday with a chance to mix culture, food and landscape, but an inexpensive one too, that gets you fit and works for all ages. So get walking.

3) Circle the correct alternative to get a coherent paragraph (4 marks) :

Thailand has been one of the most sought after travel destination for most Indians. And while we have read all **(of – on – about)** the popular places like Bangkok, Pattaya, Phuket, and Phi Phi Islands, among others; there is another part of Thailand **(whom – that – who)** stays hidden from the majority. The raw and natural **(beautiful – beautifully – beauty)** of Thailand encapsulates everything from unexplored islands **(too – at – to)** serene green forests bustling with wildlife. But how **(do – did – does)** one plan the perfect day out soaking in Thailand's raw natural wonders? Here's your guide to making the **(more – much – most)** of your Thailand Holiday, feat the roads less trampled. Whether you are looking to **(enjoy – tour – ride)** a luxurious holiday experience or unwind on a budget, Koh Samui is one place in Thailand. The second **(larger – large – largest)** island in Thailand, Koh Samui is set far away from the chaos of the traditional Thai locations.
