It's totally (illogically/logical/illogical) and disgusting. How can you hate someone because of the colour of their skin. I know many horrible people who (have/Has/had) my skin colour and many beautiful people with different skin colours. I remember at school hearing(racism/ racist/ races) words said to someone. I(feel/ felt/feeling) sorry for him. He was the only non-white person in the whole school. I never understood (where/which/when) the hate came from. Racism never leads to anything positive.
